ABOUT SECOND STRIDE

Second Stride is a 501© 3 tax-exempt, non-profit organization providing professional rehabilitation, retraining, and placement for retired thoroughbred racehorses in qualified homes so that they may reach their full potential in a productive second career.

Second Stride is made up of volunteers who are active in other areas of the racing industry: owners, partnership managers, handicappers, and trainers. We are working to improve racing from within. We know from first hand experience how many people may have the desire to retire a horse safely, but at times find that difficult to do. We understand. We have been there, and now are doing what we can, looking for others who can help by doing what they can.

We understand the importance of the racing industry to Kentucky and the rest of the world. Not only does racing provide a huge economic impact but the advances in equine research and medical care would not be what they are today without it. We are here to work with the racing industry, not against it.

GOLF SCRAMBLE PRIZES

Feeling Lucky? We are giving away a vehicle from Earl Floyd Ford valued at \$25,000! The only catch is that you need to be the first to get a hole in one on the designated par 3 hole. We will also have hole in one prizes on three other par 3 holes including a set of golf clubs, a television and a \$500 gift card. Even if you don't get a hole in one, the winning team will walk away with bragging rights, trophies, prizes and more! We'll even have a little something for the losing team. We will also have opportunities for putting games after the event as well as Closest to the Pin and Longest Drive prizes! We want this to be a fun-filled day so we will provide a quick lunch at the start and dinner at the end with entertainment for the awards ceremony. Just a reminder, Oldham County is dry so you are responsible for your own adult beverages. We look forward to seeing you there!
